# SECURED LENDING

Ansbacher Bahamas Secured Lending provides a flexible yet simple way to utilize an investment portfolio to raise competitively priced financing. Facilities can be advanced in most major currencies secured upon a selection of securities or investment funds within a portfolio or cash on deposit. This type of lending may be used to achieve leverage, establish a standing line of credit or for personal tax planning.

## FEATURES AND BENEFITS

### Margin/Leverage Lending Facility

- Borrowing available in most major currencies
- The portfolio can be maintained in a currency different from that of the borrowing

- A simple method of utilizing an existing portfolio to raise competitively priced finance
- No need to sell existing investments to provide liquidity

### Cash Backed Loan Facility

- Can be provided for a fixed term of up to 10 years or be annually renewable
- The maximum percentage may be up to 95% of the supported cash or 50% of the portfolio
- Minimum loan amount of US \$500,000 or equivalent
